APPLICATION DEADLINE: Position open until filled

GENERAL LABORER – 1st SHIFT. Laser North, Inc. (LNI) of Baraga, Michigan is growing and looking to hire another highly qualified team member. LNI is a laser cutting and fabrication specialist. As an LNI General Laborer, you are dependable and efficient in the production of our product while maintaining the highest level of safety and quality in our industry. To succeed, you must be highly motivated with an exceptional work ethic, a strong drive to solve problems, and ability to continuously improve. You possess excellent and effective organization and communication skills, as well as a commitment to superior customer service.

RESPONSIBILITIES.

- Work closely with the Production Manager and entire LNI team on a day-to-day basis to meet customer demand and solve problems.
- Organize products; clean and sort parts.
- Light machining.
- Organize and clean production floor to always be “Tour Ready.”
- Assemble packaging for outbound shipments (crates, pallets, boxes).
- Stage product in production cells.
- Willingness to assist other production areas when needed.
- Adhere to company quality and safety standards.
- Collaborates effectively with the entire LNI team to assure clear communication.

WAGE. \$10 - \$15 per hour, based on experience.

SCHEDULE. 1st shift working 7am – 3:30pm.

BENEFITS OFFERED. Laser North places great value in the General Laborer and offers benefits of a performance/success-based bonus, paid time off, paid holidays and safety training.

MINIMUM & PREFERRED QUALIFICATIONS.

- Prior experience in a manufacturing setting or as a general laborer, preferred.
- Ability to effectively operate light machines.
- Reliable transportation and impeccable attendance record, required.
- General knowledge of Inventory and Quality Control systems.
- Ability to follow safe work practices and proper lifting techniques.
- General knowledge of Continuous Improvement tools such as 5S.
- Ability to read/follow instructions.
- Excellent time management, organization and communication skills.
- A positive, collaborative style that makes you an asset to our team.
- A desire to continually increase your knowledge of the industries we serve and products, services and processes our company can produce.
- Unrestricted right to work in the United States, required.

NO PHONE CALLS or WALK-INS PLEASE.
