

Upper Peninsula Power Company

TITLE: Meter Reader
COMPANY: UPPCO
LOCATION: Houghton, Michigan

METER READER --- join the UPPCO team in Houghton, Michigan as a **Meter Reader**. In this role, you read customer electric energy usage using a meter reading handheld device, provide exceptional customer service, inspect meters and equipment, report metering irregularities, perform service disconnections/reconnections, and provide customers with information regarding company policies and rates.

UPPCO is a regulated electric utility delivering safe, reliable energy to about 54,000 customers in 10 counties of Michigan's pristine Upper Peninsula. Our assets include 7 hydroelectric renewable energy generation facilities that also offer public recreational opportunities on land and water, 2 combustion turbines providing a total generation capacity of approximately 80 megawatts, 3,300 miles of electric distribution lines, and 58 distribution substations.

WAGE. \$25.35 per hour.

BENEFITS. UPPCO places great value in its members by offering a rich benefit package in exchange for your knowledge and experience.

WHAT YOU NEED TO BE SUCCESSFUL.

- 1 or more years' experience working in business, customer service, or serving in the military.
- Ability to operate a handheld meter reading device (PC based minicomputer).
- Ability to work outside for long periods of time, in all weather conditions (humid, rain, deep snow, excessive heat, extreme cold, etc.).
- Familiarity with electric distribution is helpful.
- Ability work evenings or weekends, when necessary.
- Excellent time management, organization and communication skills.
- A positive, motivated attitude that works well with little direct supervision.
- Possess a valid Michigan driver's license.
- Must reside within 30 minutes of Houghton jobsite.
- Ability to travel, as required.
- Unrestricted right to work in the United States, required.

NO PHONE CALLS PLEASE.
