

Dear Chamber Member

Welcome to the Baraga County Chamber of Commerce and thank you for being involved in what we feel is one of the best, most active and involved business organizations in the country. At Eagle Radio we are proud to be members in good standing and realize that by supporting the Baraga County Chamber of Commerce we are helping all businesses grow in our area.

On our stations we continually ask our listeners, your customers to Keep It Up, Keep it in the UP. (If you have not heard the promotion or the image campaign you soon I am sure.) We invest hundreds of thousands of dollars a year in this "Branding Promotion" to encourage local residents and businesses to shop local and help their neighbors and friends in business.

Eagle Radio stands ready to help you build your business and we are pleased to make ALL Baraga County Chamber of Commerce members an offer for some free advertising from our inventory to match with the hard earned dollars you will be spending with us. **Upon joining or renewing your annual membership in the Baraga County Chamber of Commerce, we are offering your business an opportunity to double any five hundred dollars (\$500) worth of cash advertising! This offer consists of thirty (30), thirty second (:30) commercials, in any thirty (30) day period, one (1) time per year.**

We at Eagle Radio look forward to helping you Keep It UP and Keep it in the UP! Contact us at 906-353-9287 or email at eaglemediaadssales@gmail.com if you need anything clarified or have any questions.
